

## **NATIONAL PRODUCTIVITY COUNCIL**

**Test for Recruitment for the Post of Assistant Directors on 31<sup>st</sup>  
January, 2010**

### **Corrigendum to General Instructions to Candidates for appearing in the tests:**

**In partial modification to the instructions issued earlier, it has been now decided that the candidates may carry with them a calculator, basic or scientific, for making mathematical calculations. However, the calculator should have no digital organising facility or memory storage. All other stipulations regarding prohibited items mentioned in the instructions will continue to apply.**
